

GOODLIFE

☪ SINCE 2015 ☪

SINCE 2015, WE HAVE BEEN MAKING SURE
OUR CLIENTS STAY **CAFFEINATED** AND **HAPPY**,
ROASTING THE **QUALITY** YOU DESERVE BY
SAYING LESS AND DOING MORE.

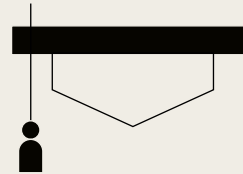

TO SPREAD THE GOOD LIFE VISION AND **SHARE**
GOOD MOMENTS, AS WE ALWAYS HAVE
SINCE 2015.

ROAST

When we turn on the Probatone in our Savigny roastery in the hills of Lausanne, we are all about **saying less and doing more**.

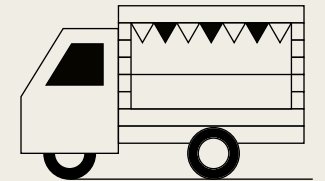

We are always looking to **perfect our roasting process**, as we craft the finest flavours from our single origin beans.

LEARN

At the **Goodlife Academy**, we have everything necessary to train your staff into great baristas under one roof.

You will learn what it takes to prepare a great coffee, everything about your coffee beans, origins, roasting, extraction and milk magic.

SERVE

We want to meet our **community** directly in the field: through events in the city, pop ups, our ambassadors, and collaborations.

We want to continue in this mission with our **Coffee Friends** to help the specialty coffee scene in Switzerland.

THE ART OF COFFEE IS COMPLEX, BUT THANKS
TO OUR CRAFTSMANSHIP AND DEDICATION
TO YOUR GOODLIFE EXPERIENCE,
IT DOESN'T HAVE TO BE.

GOODLIFE

• SINCE 2015 •

**NO MATTER IF YOUR COFFEE MOMENT IS AN ESPRESSO
ON THE GO **AT WORK**, YOUR RELAXING **CAFÉ** BREAK
OR YOUR MORNING CUP **AT HOME**, WE WILL CONTINUE
TO OBSESS ABOUT YOUR GOODLIFE MOMENT WITH
DEDICATION.**

GOODLIFE **AT WORK**

GOOD COFFEE SHOULD FOLLOW YOU TO THE PLACE WHERE TIMEOUT MOMENTS MATTER THE MOST, AT WORK.

WE ALSO BELIEVE THAT BETTER **COFFEE QUALITY
MAKES FOR A BETTER WORK LIFE CULTURE.**

EVEN IF YOUR **COFFEE BREAK IS ONLY 5 MINUTES
BETWEEN TWO MEETINGS, YOUR WELL DESERVED
COFFEE MOMENT SHOULD BE LIKE A VISIT TO YOUR
LOCAL COFFEE SHOP.**

The Goodlife can bring you that same quality to your office.

We specialise in designing **unique experiences** that will delight your team every day with delicious, fresh and local coffee, in house as well as team building workshops.

We cater to busy high volume coffee drinkers with tailored business solutions and weekly coffee subscriptions.

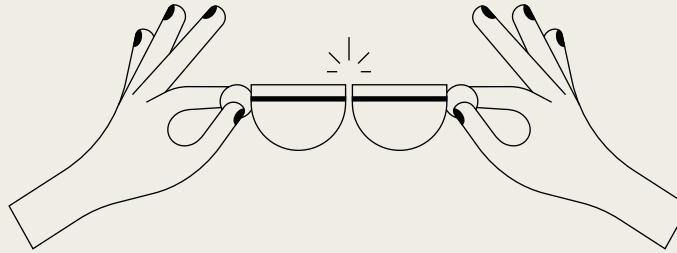

WITH THE PUSH OF A BUTTON, YOUR STAFF CAN ENJOY A CAFÉ EXPERIENCE, EVEN IF THEIR MOMENT IS 5 MINUTES BETWEEN TWO MEETINGS.

OUR STATE OF THE ART BEAN TO CUP COFFEE MACHINES DELIVER CONSISTENTLY DELICIOUS SPECIALTY GRADE COFFEE FOR YOUR STAFF'S DELIGHT.

A hand is holding a brown paper coffee bag in the foreground. The bag has a white label with the text "GOODLIFE" and "SINCE 2015". Above the main label, there is a green sticker that says "HAKUNA MATATA" and "ETHIOPIA". Below the main label, there is more text: "BEST FOR - ESPRESSO & FILTER", "TASTE - SWEET", "FLAVORS - WINEY, FRUITY & FLORAL", "LIGHT ROAST", and "SWISS ORIGIN". In the background, several other coffee bags are visible, some with different colored labels (red, blue, black) and some with the "GOODLIFE" logo. The scene is set on a dark surface, possibly a table, with a white wall in the background.
